

Love the Depot? Looking to get involved? Apply to join our Board of Directors!

We're looking for candidates to join our passionate and dynamic [Board of Directors](#).

We're looking for people with knowledge of the Depot and food security who have had experience in organizations to volunteer for a **3-year term**. The Depot's board meets formally 6-8 times a year and the time commitment is approximately 4-6 hours a month, depending on what the Board is working on and the load of the committee(s) the member sits on.

This year, the nominations committee has identified four major priorities for board candidates:

- **Diversity:** We want our Board to reflect the full diversity of the people we serve. In particular, we are interested in people from minority and under-represented communities.
- **Lived experience:** We are also seeking people who have participated in Depot programs or who have experienced living with the challenges of poverty and food insecurity.
- **Construction, design or real estate development experience:** As we continue our search for a permanent home.
- **Fundraising and communications expertise** with a focus on francophone media and contacts.

Other areas of expertise of interest include **legal, finance, human resources, health, anti-poverty advocacy** and **governance**.
